October 20., 2014

About

The **3rd ARSA-Conference 2014** (virtual conference) gives you a great opportunity to participate in the fully fledged, scientific and professional conference without personal participation.

The **ARSA** Virtual Conference will run continuously during **December 1 - 5, 2014** at www.arsa-conf.com. ARSA Virtual Conference is designed for all scientific groups. The conference will bring the scientific debate among the scientists. At the virtual conference, you have access to all articles in the conference at any time and can use virtual discussion with the author of any article at any time.

Scientific Background

All conference articles will be peer reviewed (single blind, double tier evaluation).

- Accepted articles will be published in the conference proceedings "**Proceedings of the Virtual International Conference on Advanced Research in Scientific Fields 2014**" with **ISBN** and **ISSN**.
- The accepted papers in conference proceedings will be **sent for evaluation to SCOPUS databases**.
- Top rated papers will be sent for consideration in selected **journals**. (www.sci-pub.com)
